## 45" HANNAH DRESSER

The Hannah dresser has a modern feel with historic roots. The form is based on the American empire style and defined by the heavy architectural overhang of the upper drawers. Together with the leg “columns” they create a graphic frame around the lower drawers. Integrated handles shaped into a return on the underside of the upper drawer project through the side panels. Turned legs hold the case off the floor to create a feeling of lightness.

starting at \$4500 + hst • custom sizes and finishes available

### DIMENSIONS

45L x 41.25H x 19D

### MATERIALS

Walnut  
Maple  
White Oak
